

Agathos Equestrian Team

We are excited to have the opportunity to offer Horsemanship lessons to school age children 1st grade and up who love horses and would like to get to know more about them. The agenda will focus on learning all aspects of horsemanship; grooming, tacking up, safety with and around horses, basic horse knowledge along with balance and skill in riding, and each session will begin with a Bible verse and prayer. The class could evolve into some show and competition opportunities if the desire is present in the future.

Horses can be instrumental in learning self confidence, respect, responsibility, trust, focus, problem solving, and developing deeper relationships with God, family, and others.

We usually offer a Fall Session and a Spring Session each averaging 4 to 6 weeks. Lessons will take place for 1 ½ to 2 hours after school at Whetstone Valley Stables. Depending on interest, other days and times may be offered. There may also be an opportunity to continue sessions through the summer and/or a summer camp. The cost per student per week is \$25 paid directly to Penny Shoup at Whetstone Valley Stables. Helmets and boots are required. Helmets will be supplied on site.

To sign up, call or email Jenn Burns at 615-243-9300 or jenn.burns@solerant.com.
