of 3rd Quarter

AGATHOS SPIRIT WEEK

Logic and Rhetoric students will have the opportunity to show pride in their city, state, country, school and House during the week of February 13-17. Students are encouraged to be creative, and awards will be given for the 4 best costumes each day with a Bonus award given for the best costume of the week. The theme for each day is as follows:

Monday: City Pride - dress like a duck, mule, James K Polk or his wife, or wear gear advertising our local shops.

Tuesday: State Pride - dress like famous people from Tennessee or wear gear supporting your favorite TN sports team.

Wednesday: Country Pride - dress like famous Americans who have made a difference in the history of our country, dress like the Statue of Liberty or an eagle, wear Red, White and Blue or something that supports your favorite branch of the military.

Thursday: School Pride - Blue and Gold Day. ALL students Pre-K - 12 may participate this day showing Warrior Pride!

Friday: House Pride - wear your house shirts and sport your House colors in a creative way.

TEACHER SPOTLIGHT

Mrs. Sue Goodrich (Mathematics)

What is your favorite bible verse?

- Ephesians 2: 8-10

Why classical education?

- "I love being part of the beautiful tapestry of education that is woven together in each student with great books, history, music, art and of course math.

What is your favorite class to teach?

- "Hard to pick one, but I especially enjoy Algebra 2 and Precalculus classes because by that point students have developed a good base in mathematics and there is more discussion."

AGATHOS BASKETBALL

By: Josiah Burns

Agathos is growing and with every year that passes new extracurricular activities are added to the experience. This year an exciting addition which has blessed our school immensely is our Warrior Basketball Teams. Logic school students were given the opportunity to join Agathos' first ever team sport. Due to the late start of the season, they were only able to compete in 5 or 6 games, but through each game each team increased their skill level greatly. In fact, in the second to last game, the Lady Warriors defeated Harpeth Hall 20-3, and the week previous they lost heart breakingly in the final seconds of the game to Sacred Heart. Both teams showed great courage and perseverance throughout the season. It has been awesome watching the teams play and grow, and we are proud of all they have accomplished. Go Warriors!
