At first things went smoothly for the Clinton 12, but then outside agitators interfered, pitting the townspeople against one another. Uneasiness turned into anger, and even the Clinton Twelve themselves wondered if the easier thing to do would be to go back to their old school. Jo Ann--clear-eyed, practical, tolerant, and popular among both black and white students---found herself called on as the spokesperson of the group. But what about just being a regular teen? This is the heartbreaking and relatable story of her four months thrust into the national spotlight and as a trailblazer in history.
