

## **Boni Libri - Aestas 2021 (Good Books - Summer 2021)**

Reading is an integral part of cultivating a love of learning. At Agathos, students read widely during the school year, and our vision is for students to develop lifelong reading habits. With that in mind, we expect students to invest time during the summer reading good books.

Summer reading expectations vary by grade level. Our K-2nd graders are expected to read daily from a suggested reading list, but no formal report is required. Our rising 3rd-7th grade students are expected to read two books from their respective grade level list and *complete one book report form for each book*. A printed copy of your student's summer reading list and forms are attached; these may also be accessed through the school website.

Please encourage your student to pay careful attention to the instructions for his or her grade. These lists have been curated to be grade specific providing bridges between the grade levels. A book report template specific to each grade is provided at the end of each rising 3rd-7th grade packet. This template provides appropriate structure for each grade which means that the forms are not interchangeable.

We expect all returning students to arrive the first day of school with their summer reading completed. Submission of the book reports on the first day of school shall result in a literature completion grade of 100%. Students who do not submit Boni Libri - Aestas 2021 on the first day of school will receive one additional day without penalty to submit the forms. After the second day, the report grade will be deducted by 10% per each day the work is late. After 3 additional days, a zero will be given.
